2017 Attorney Bar Status Campaign

Beginning on February 6, 2017, the Third Circuit Court of Appeals will initiate its 2017 campaign to update its attorney rolls pursuant to Rule 17.2 of the Rules of Attorney Disciplinary Enforcement. Counsel who have not entered an appearance or have not updated their contact information within the past 5 calendar years will receive a personalized email. The email will provide a direct link for counsel to confirm or update his or her contact information and to request that active status be maintained or to elect an alternative status.

Please do not delete the email as a failure to respond will result in counsel's status being changed to inactive. See R.A.D.E. 17.2.

Counsel may access the <u>Attorney Admissions Checker</u> for his or her current status and the date that he or she last entered an appearance. Please refer to the Attorney Admissions page on the Court's website for additional information and answers to frequently asked questions.
